The Nobles and Ladies of Al Amin Shrine Temple express our sincere appreciation for the dedication and time the sports desk put into supporting the 7th Annual Coastal Bend Shrine Classic Football Game. Their participation helped make the Classic Football Game a huge success. We want to especially recognize Allan Harwell and Dan McReynolds and their sports staff. With cooperation like this we cannot lose, and we didn't. The coaching staffs, players, parents of the players, fans and all other participants had an enjoyable evening.

Large Chamber of the Year 2001

Saturday, February 23, 2002

Mr. Bob White  
KIII TV-3  
5002 SPID  
Corpus Christi, TX 78411

Dear Mr. White:

*Bob*

*Thanks for all the help &  
support KIII has provided.*

Thank you for supporting the Corpus Christi Hispanic Chamber of Commerce and myself over the last 3 years. It is with sadness and excitement that I inform you of my departure as the President/CEO of the Corpus Christi Hispanic Chamber of Commerce. It has been an awesome and rewarding experience to serve you as a member of the Hispanic Chamber of Commerce. We have been able to accomplish a lot for our organization and community. In reflecting on our accomplishments such as increasing our membership to levels as never before, establishing the Mano a Mano Scholarship Program, moving into a spacious 2,400 SF office, trade missions into Mexico, increasing the utilization of technology to our advantage, and of course, being recognized as the TEXAS LARGE CHAMBER OF THE YEAR are definitely accomplishments to be proud of! CONGRATULATIONS!

I have been given the opportunity to lead the Corpus Christi Minority Business Development Center whose mission is similar to the services of the Hispanic Chamber, but in a more focused approach to helping small and minority owned businesses with business consulting services and procurement facilitation. In addition, I will be the Executive Director of the newly formed Corpus Christi Minority Business Council, whose mission is to assist small and minority business enterprises through business opportunities with corporations and public entities. Also, a major objective is training and coordinating a mentor/protégé program. In discussions with the leadership of the Chamber, this opportunity will strengthen the ties of our members and the MBDC & MBC.

I am very confident that the leadership of the Board of Directors and staff will carry on the mission and vision of the Hispanic Chamber and ensure that our members will always be the number one focus. I am especially appreciative and grateful to my staff that has been the driving force behind our success - Debbie Wallace, Hope Rangel, Kathy Crause, and Norma Minto. If there was ever a time in the history of the Hispanic Chamber to be the lead advocate for Hispanic small businesses, this is the time. I wish you the best of luck and please always consider me as a resource if there is any way that I can assist or contribute. I will assume my duties at the MBDC and MBC on Monday, March 11, 2002.

If you or someone you know would be interested in applying for the President/CEO position, please forward your or their information to the Executive Search Committee at PO Box 5523, CCTX 78465. The Board of Directors will be looking to fill the position soon to ensure a smooth transition.

Again, thank you for all your support and commitment to the Hispanic Chamber of Commerce. I am truly grateful and honored to have been given the opportunity to serve as your President/CEO for the last 3 years, and I look forward to serving you again in my new role. May God bless you and your family.

¡Adelante!

Manuel Ugues

Dear Bob,

The 2<sup>nd</sup> Annual Whataburger Cactus Bowl is now history. Once again, it turned out to be a huge success judging by the increased numbers in attendance at each of the events. In addition, there were a couple of new features added to the schedule this year. For the first time, the teams took a trip to Corpus Christi for a look around town. They visited the USS Lexington and then the Museum of Natural Science where they were treated to a delicious seafood dinner prepared by the Water Street Seafood Company, courtesy of the Corpus Christi Chamber of Commerce and the Corpus Christi Convention & Visitors Bureau. Everyone enjoyed it and we hope it will become a permanent feature of the week.

In addition, we added the Taste of South Texas as a tailgate party just prior to the game. The initial "taste" involved approximately ten vendors from the Coastal Bend. That too was a big success. Hopefully, the Cactus Bowl and the week leading up to the game will continue to grow so that we truly will be able to say that it's "more than a game".

Obviously, none of this would be possible without the support of sponsors such as your selves. Your generosity is very much appreciated and we want to say to you a big "Thank You" for your financial support.

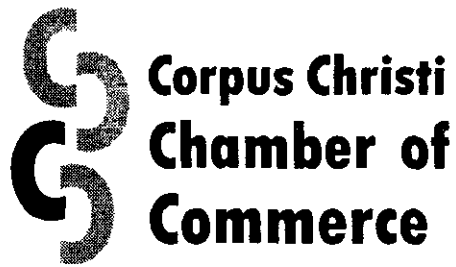

Here's hoping it will be even more successful in the coming years.

Sincerely,

Cactus Bowl Board of Directors

Please accept our sincere appreciation for participating as a judge at our Annual Halloween Dance and Party on Tuesday, October 30, 2001. Your participation contributed to the success of the party.

The contestants were very proud of their costumes and appreciated outside impartial judges. We realize that your job was not easy; however, your selection of the winners was well received by all the participants. Everyone in attendance had a wonderful time.

The fact that you took time from your regular busy schedule to do the Weather Live from the Senior Center was a big hit with the seniors. We are still getting compliments on your participation. We appreciate you being one of the judges for the Costume Contest. Your commitment to the seniors in our community speaks very highly of you and your organization. Dear Mr. White:

On Friday, December 8<sup>th</sup>, the Corpus Christi State School hosted free to the public it's 10<sup>th</sup> Community Holiday celebration.

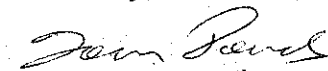

Featured was the multi-talented performing group "Dudes and Divas." Additionally, a 50-piece orchestra from Mary Carroll High School and their 16-piece classical guitar ensemble performed. Advanced student opera soloists of Flicka Rahn from A&M University also sang. Two TV stations provided excellent media coverage of the event.

As our residents are usually not able to attend any community celebrations, we try to bring such celebrations to our residents and invite the community to join us.

Maclovio Perez was outstanding as Master of Ceremonies to the approximately 500 who attended. His professionalism and delightful sense of humor provided a high quality addition to our community program. This was done on top of his already full schedule with the Food Bank's fund drive that same day.

I hope the management of KIII takes pride in community minded and caring people such as Maclovio Perez. We look forward to his help again in the future. Thank you and all staff who had a part in giving the residents of the Corpus Christi State School a more normal holiday experience.

On June 17<sup>th</sup>, the Corpus Christi District held its Annual Picnic and Softball tournament in Rockport, Texas. Thanks to your support, it was an excellent day for fun and frolic. It turned out to be the largest and most attended picnic ever! This was no doubt one of the better picnics we have had.

I would like to express my sincere thanks and appreciation for your donation. We feel fortunate to have supportive individuals, such as yourself, to make this event a success.

We entertained the children of our departments' employees, included were Directors, Area Engineers and employees in all the surrounding areas such as Karnes City, Beeville, Kingsville, Alice, Sinton, etc. The children were most excited about their prizes.

Once again, THANK YOU, for your support in making this event possible. If there is anything I can ever do for you, do not hesitate to call.

Dear Mr. White:

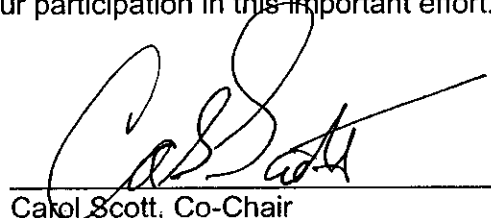

On behalf of the City of Corpus Christi's Census 2000 Complete Count Committee, we want to thank you for your recent contribution towards helping to educate our community on the importance of the census.

By mid-April, approximately 60% of local households had returned their census form by mail. Since that time, census field workers have continued the work by visiting those households that did not return a form. Once the Census Bureau has completed their efforts, the Commerce Department will provide Congress with a final report. Shortly after the end of this year revised population counts will be made available to communities.

The efforts of organizations like yours are invaluable towards making our community a better place in which to live. Once again, thank you for your participation in this important effort.

*It takes a real team effort to be able to achieve the success we have had since our first telethon, 16 years ago. We have raised over \$8,769,946 million through the Children's Miracle Network Telethon for the children of South Texas. The employees of KIII TV-3 played a major role in that achievement.*

*Without the hard work, dedication and selflessness of employees, presenters and volunteers the telethon would not be possible. Thank you again for all your help and your support -- **you make the miracles happen!** We look forward to the Telethon in the year 2001.*

*Thank you again for your support.*
